

**PEOPLE'S COOPERATIVE SERVICES**

Minnesota 59 Olmsted  
Rochester, Minnesota

**Schedule Y:** Electric, Shared/Community Water Well and Septic

**Effective:** This rate shall become effective April 2011 energy use.

**Availability:** Available to members where separately metered well or septic system provides residential water supply or wastewater treatment for two or more members. The electrical service for the well or septic must be connected to a transformer put in place to provide service to one or more non-seasonal residents taking service under rate Schedule A. The Cooperative will make the sole determination, on a case by case basis, of whether a specific use qualifies for service under this rate schedule.

**Type of Service:** Single phase, 60 Hz, at secondary voltage.

**Monthly Rate:**

Facility Charge	\$18.00
Energy Charge – November thru April	\$0.1080 per kWh
Energy Charge – May thru October	\$0.1180 per kWh

**Minimum Monthly Charge:** The minimum monthly billing is the facility charge of \$18.00.

**Power Cost Adjustment:** This rate shall be subject to change based on the adjustments to the wholesale power cost or other cost adjustments as determined by People's Cooperative Services.

**Terms of Payment:** The rates of this schedule are net. The gross rates are five percent (5%) higher. In the event the current month's bill is not paid by the due date indicated on the bill, the gross rate shall apply.

**Taxes:** The rates set forth are based on taxes as of April 1, 2011, and the amount of any increase in existing or new taxes allocated to sales hereunder shall be added to the rates as appropriate to be paid by the consumer.
