## *Residential Energy Audit Program*

People's Cooperative Services is excited to offer members a low cost (or no cost) *Residential Energy Audit Program* through partnering with G.A. Ernst and Associates, Inc., a certified energy efficiency consulting service and solutions company. This program is designed to conduct a comprehensive energy audit to determine energy efficiency and comfort of a member's residence. Recommendation action steps will address home durability, ventilation, appliance replacement, insulation and air sealing. Using energy more efficiently = savings on your electric and fuel bills.

Choose from the following two types of energy audits:

**Standard Energy Audits:** (\$240, with option to receive up to 100% of audit cost back via rebate if at least one recommended energy improvement is implemented)

- ✚ Utility Bill Analysis
- ✚ Thermal Envelop Inspection (thorough insulation and air sealing analysis)
- ✚ Blower Door Diagnostics
- ✚ Furnace Efficiency / Safety and Worst Case Back Draft Spillage Testing

**Performance Energy Audits:** (\$360, with option to receive up to \$250 of audit cost back via rebate if recommended energy improvements are implemented)

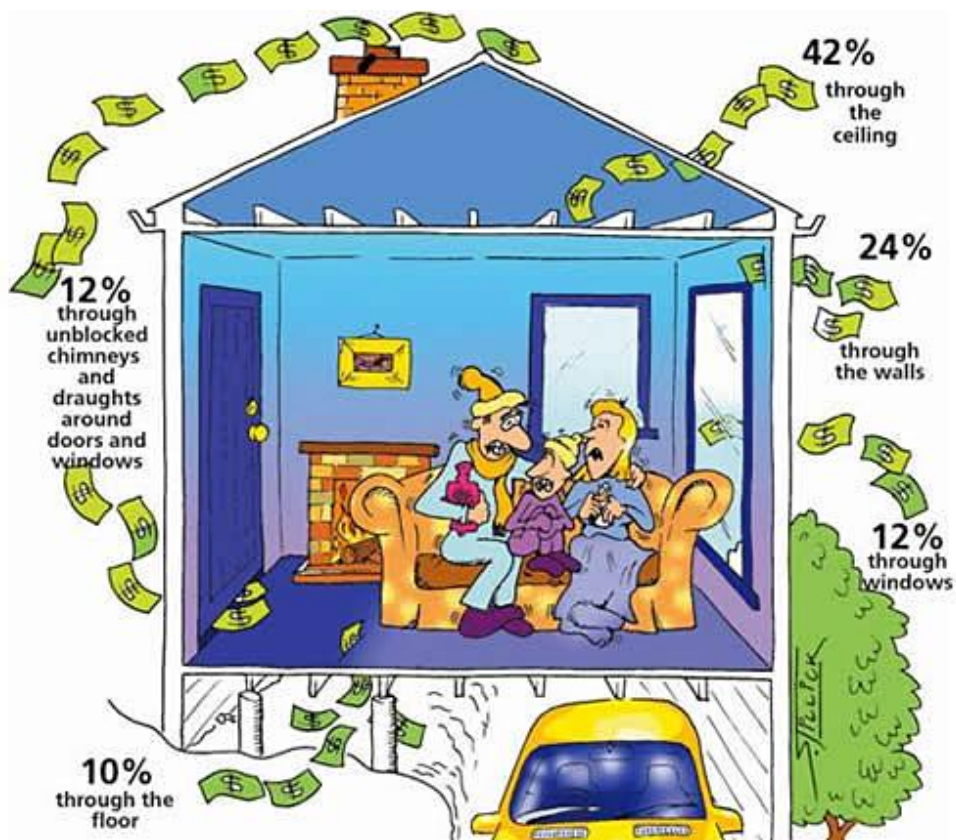

- ✚ Includes all features of the Standard Energy Audit plus Infrared Camera Diagnostics

At the end of the energy audit, the member and People's Cooperative will receive a detailed report of the certified energy auditors findings and recommendations of improvements that can be implemented to help save energy.

### Home Energy Audit Checklist:

- ✓ Member must complete the 'Pre-Audit Request and Questionnaire' (on the following page or available at [www.peoplesrec.com](http://www.peoplesrec.com)) and return it to People's Cooperative Services.
- ✓ G.A. Ernst and Associates, Inc. will contact the member directly to schedule the residential energy audit at a time that is convenient for the member. Members must be present during audit. Audit will take approximately 2 hours.
- ✓ Member and People's Cooperative will receive a copy of the detailed energy audit report.
- ✓ Member will be billed directly from G.A. Ernst for cost of audit and will be responsible for paying G.A. Ernst the entire cost of the audit.
- ✓ Upon completion of any recommended energy improvements, member is eligible to submit required rebate information to People's Cooperative Services and receive up to \$250 back towards the cost of the rebate. Rebate form included in packet received at time of energy audit.

*\*Percentages shown may not be actual energy loss in every situation.*
